UK Interoperability Standards

- ND1034
- ND1037

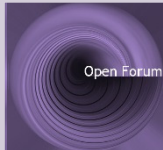

NICC Standards Limited

- **ND1034 Endorsement of SIPConnect 1.1**
 - Published in Mark 2017
 - SIPConnect 2.0 has been published so a review of ND1034 will take place shortly

- **ND1037**
 - Not much progress to date due to lack of resource
 - A way forward has been scoping and this specification is now the main focus of the SIP TG

Thank You
